Strategic development plan

Mission

★ **Mission statement**

ISoP is a professional, independent, non-profit society, open to anyone with an interest in the safe and effective use of medicinal products.

ISoP aims to foster science and learning in pharmacovigilance in all countries.

Mission statement...

We do this by providing

- ★ **opportunities for networking in a friendly environment**
- ★ **collegial and convivial support among fellow pharmacovigilance professionals**
- ★ **an open and impartial forum for sharing experience and knowledge**
- ★ **a platform for discussion and generation of new research and ideas**
- ★ **meetings, education and affordable training.**

ISoP survey

- ★ **Members survey about the future of ISoP**

Focus of survey

- ★ **The relevance for future strategy of our society's objectives as mentioned in the statutes**
- ★ **Topics to be presented at the future meetings of ISoP, divided into 6 main topics**
 - Regulation and legal requirements
 - Clinical Pharmacology
 - Signals
 - Risk Management
 - Communication and Education
 - Special meeting topics
- ★ **Comments and view on Special topics**

Survey: Response

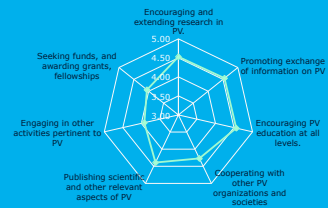

- ★ **Sent to 482 members of ISoP by email**

- ★ **Completed by 146 members (30.3%)**

Background	Response Percent	Response Count
Academia	26,0%	38
Government body	23,3%	34
Industry	39,7%	58
Student	2,1%	3
Other	8,9%	13

Survey: View on ISoP's objectives

Average score on six objectives by all respondents.
Mean ranges shown from score 3 (neither agree nor disagree) till score 5 (strongly agree)

Survey: Topics for future meetings

- ★ **Average ratings calculated for all topics mentioned in survey**
 - For all members
 - Stratified by Chapters
- ★ **All mean scores above 3 (neutral)**
- ★ **Many suggestions for possible topics were added as comments**

Survey: Considerations

- ★ **Response rather low (especially for Chapters)**
- ★ **Highest ratings not necessarily the most important ones to cover**
- ★ **From comments it was not always clear if results of the questionnaire are a view on future strategy (goal) or reflection on current policy**
- ★ **Full report of this survey can be downloaded at ISoP website**

The Future....

- ★ **Meetings:**
 - Training Courses in Singapore
 - Pisa, Italy 2013 (ISoP 2013, 13th Annual Meeting)
